## ~10 FACTOR PHP APP

- Composer

A dark-themed terminal window with a file icon in the top-left corner and a close button in the top-right corner. The terminal contains two lines of text: 'composer install' and 'composer update'.

```
composer install  
composer update
```

# Configuration:

Store config in the environment

- Set environment variables
- Use `getenv`
- Use [vlucas/phpdotenv](https://github.com/vlucas/phpdotenv)

## ~10 FACTOR PHP APP

AUTH_KEY	.....
SECURE_AUTH_KEY	.....
